

Increase in Rea Park Senior Charges, especially walking

1. Why offer season pass if patrons can't gain from it?
2. Why should Rea Park golfers sustain Hulman Links? (\$375 of \$750 season ticket paid for at Rea Park goes to Hulman Links.)
3. Why discriminate against walking golfers? (Lowering cart fee is not incentive.)
4. Possible age and price discrimination. (There is no senior season pass, but junior and college passes are offered.)
5. A senior walker at Rea Park has experienced a 24% increase in fees.
6. Certain city employees (non-golf course personnel) are playing golf for free.
